

# HUMAN FLY *(The Cramps)*

---

## Am

Well I'm a human fly  
I, I said F-L-Y  
I say buzz buzz buzz  
And it's just becuz  
I'm a human fly  
And I don't know why

I got 96 tears and 96 eyes

---

## Am

I got a garbage brain  
That's drivin' me insane  
And I don't like the ride  
So push that pest aside  
And baby I won't care  
'Cuz baby I don't scare  
'Cuz I'm a reborn maggot using germ warfare

---

## D

Rock!

**Am D Am E7 Am**

---

## Am

I'm a human fly  
I said F-L-Y  
I say bzz bzz bzz  
And it's just becuz  
I'm an unzipped fly  
And I don't know why  
And I don't know why  
But I say

---

## Am

Bzzzzzzz  
Rock tonight, and I say  
Bzzzzzzz  
Rocket ride, and I say  
Bzzzzzzz  
But I don't know why  
Aw, I just don't know why
