

# LET'S GET FUCKED UP *(The Cramps)*

---

**E**  
Hey baby, let's get fucked up

**Em**  
Let's get fucked up  
Let's get fucked up

**Am**  
Let's do some stuff

**Em**  
And get fucked up

**B**  
Yeah, tomorrow we'll feel like

**Am**  
We been hit by a truck

**Em**  
But let's get fucked up, honey

---

**Em**  
Goin' to a cockfight  
Burn, witch, burn  
Heh, all my stuff in hock might  
Never ever return

**A**  
Ooh, goin' to the brink  
Of oblivion

**Em**  
Gonna need a shrink  
To get back again, aha!

---

**Em**  
Let's get fucked up  
Let's get fucked up

**Am**  
Let's get some stuff

**Em**  
And get fucked up

**B**  
Tomorrow we'll feel like

**Am**  
We was hit by a truck

**Em**  
But let's get fucked up

---

**Em**  
A-gonna get lowdown  
Gonna get keyed up  
Gonna go to town  
And get beat up

**A**  
Gonna get way out  
To the 'drenaline

**Em**  
Gonna hit flameout  
When my head caves in  
Ooh, ouch, ooh

Let's get fucked up, baby  
Right now

---

[SOLO]  
Fucked up  
Mmm

---

**Em**  
Slip on nocturnal shades  
Head down to amateur night  
Do some purple haze  
Ahh, probably lose some fight  
Ooh, get cool and casual  
Get really sent  
Dig some cruel and unusual  
Punishment, aha!

---

**Em**  
Let's get fucked up  
Let's get fucked up

**Am**  
A-let's get some stuff

**Em**  
And then we'll get fucked up

**B**  
You know tomorrow we'll feel like

**Am**  
We was hit by a truck

**Em**  
But let's get fucked up

---

**Em**  
Oh baby, baby, baby, baby  
Let's strap on a little of that  
Abnormal delirium  
We'll take a long fall down  
Into that surrealist bucket  
We'll make one big grease spot  
Outta this town baby, yeah  
They all want to be  
Your Siamese Chihuahua sweetheart, woo woo!  
The ultimate degenerate  
Psychopathia sexuas, ha!  
Too far out baby, too far out  
Ah, ha ha ha ha ha ha ha ha!  
Fucked up  
I said fucked up

---
