

MEAN MACHINE *(The Cramps)*

(A7/A5)

I'm mean
I'm a mean machine
I gotta be mean
Just a bad human being

(A/A7)

This ain't no art from the bottom
of a henhouse floor
Rip out your brains if ya got 'em
throw 'em out the door

(A7/A5)

'cause I'm mean
I'm a mean machine
I gotta be mean
Just kind of a bad human being
Uh-huh

(A/A7)

I can't stand nothing dull,
I got the gloss luster
I'll massacre your ass
as fast as Bull offed Custer

(A7/A5)

'cause I'm mean
I'm a mean machine
I just gotta be mean
Yeah, just a bad human being

(A/A7)

I got a sweet little itty bitty baby's ass
But I'm mean

I'm a spine-snappin' daddy, you hear?
Soul snatcha!

I pick my teeth with twerps like you!

I am uninhibited,

daring,

go-fuck-the-world

original uncensored billie jean

Two-fisted,

gun-totin',

six-shootin'

ring-tailed buckaroo

All the more shocking

because it's true

Lots of wavy hair,

like Liberache

I didn't mean to be mean,

but uh...
