

PRIMITIVE *(The Cramps)*

E7

What I don't know
Can never hurt me
I live a life
That's working for me
What I respect
You just can't see
What you expect
I'll never be

Primitive
That's how I live
Primitive
I take what you give

B

'Cause I love

A7

And I live

Primitive

E7

The things I do
You'd never try
What I get free
You have to buy
I'm proud of my life
But don't ask me why
'Cause if i told ya
I'd probably...

Primitive
That's how I live
Primitive
I take what you give

B

'Cause I love

A7

And I live

E7

Primitive

Primitive
That's how I live
Primitive
I take what you give

'Cause I love

A7

And I live
